**Dear Applicant,**

Thank you for your interest in the position of Class Teacher at Viridis Schools. I hope that you will find this information pack helpful. If you would like to learn more about our school's partnership, we would be delighted to answer any questions you may have. Our contact details are in this pack and we can offer tours of all three school sites so you can meet our children and staff and see first-hand what we do. Our school websites also offer much more information about our staff, curriculum and the way that we work.

Orchard, Southwold and Hoxton Garden Primary Schools are in the vibrant and diverse community of Hackney, East London, with easy transport links into and out of Central London. With a joint pupil roll of over 1300 pupils, we are a very successful organisation with a passion for making a difference. We provide a very rich and exciting curriculum and a no excuses culture for low standards. Because of this, our pupils achieve well above national averages regardless of their starting points and Ofsted have been full of praise about our provision.

Orchard & Southwold have been in partnership since January 2012, with Hoxton Garden joining us in April 2014. We have a joint Governing Body and strong links to our Local Authority. Each school has its own leadership team who work together with the common aim of giving children the very best. We have set an ambitious vision for the future and have very high standards for what can be achieved with the benefits of shared expertise. We have a skilled team of highly committed and professional teachers and leaders. Staff from all three schools meet weekly to share ideas, with common systems and a shared curriculum. We take our role in raising the aspirations of our children and meeting the ambitions of our staff very seriously.

As our school roll grows and staff move to promoted positions, we are looking to recruit class teachers in KS1, KS2 & Early Years who are looking to further develop their skills and talents. First and foremost, we are looking for practitioners who are confident, self-reflective and who have the energy and skill to make the difference that our children deserve.
